## South Korea Vision Camp – Program Overview

### Goals:

1. Grow in your devotion and discipleship in Christ.
2. Gain a greater motivation to join God in what He is doing both locally and worldwide.
3. Experience a life-changing understanding of another culture while serving.
4. Form life-long relationships with team members and others abroad.

The overall purpose of this mission is to draw people into relationship with Christ through the teaching of Christian leadership, discipleship, service to others and sharing of the English language. Myungsun Church recognizes that Korean youth are very influenced by American language & culture and see great value in having American's simply come. So having American English taught to Korean youth is highly effective in building trustworthy relationships. To accomplish this mission, Myungsun Church and other ministries are partnering with Warm Beach Christian Camps & Conference Center to bring a team of American adults and youth to serve in English-outreach ministries.

Each Vision Team participant will experience multiple types of ministry activities that will challenge them physically, mentally, socially, spiritually, and emotionally. The following lists the general experiences of the trip:

- Meet several times prior to departure for team-building, cultural preparation, prayer and planning.
- Each youth participant will be assigned a Korean partner similar in age/gender in order to help each person more easily navigate the barriers of language, culture and getting to know each other.
- Team members will have the opportunity to serve the local community in Suwon with some service projects to show people the love of Christ in the community-many of whom are often marginalized.
- Participate in a Christian youth camp called Camp Horeb; assisting in program activities, English lessons, and planning games and activities for the youth, many of whom will not have a personal relationship with Christ.
- The body of Christ is alive and vibrant in Korea. Team members will have the opportunity to fellowship and worship with some of the largest Christian ministries in the world. The team will go to two church services while in Korea.
- Throughout the time spent in Korea, Team members will also be visiting a few cultural & historical sites that teach and show traditional Korean culture and history. As well as opportunities to do some shopping and experience the culture of Korean food.

**Dates:** July 31 - August 14, 2018

**Age:** 14 - Adult

**Team Coordinator:** Pat Patterson

**Cost: \$2250**, Myungsun leaders believe in mission and collaboration as followers of Christ. The fact that youth in America are willing to come and volunteer in their country, community and church; is something that they cannot put a price on. Therefore Myungsun Church and its ministry partners are covering the costs of all in-country expenses! Normally the whole price for an experience like this would be an estimated \$4000-\$6000 per person. Each team member will need to raise funds for airfare, administrative costs & program supplies and travel insurance (required for those under 18). Keep in mind any additional cost for personal spending money while on the trip and if you don't have a current passport; appx. \$135 for adult, \$110 for those under 16. *A passport may take up to 8 weeks to arrive. If you currently hold a passport that will expire within 6 months of our time in Korea, it will need to be renewed prior to travel.*

A \$150 non-refundable deposit is due with application (checks payable to Warm Beach Camp) and full cost due by June 1, 2018.

Please look over the following Team Policy related to Christian character. Is there anything in the statements below that you would be uncomfortable in following if you were accepted on this team?

Please explain:

- *As a participant on this team, it is necessary to have a well-developed life of integrity. Team members will be expected to have been following standards set before them in the Word of God. (I.e. if participants currently abuse alcohol, drugs, other substances, or people)*
- *As representatives of Christ it is necessary for all Team members to abstain from whatever damages, destroys, or distorts God's witness in their lives, even if it means modifying behavior to fit the guiding principles of the church locally and overseas.*
- *As outsiders participating in Warm Beach ministry overseas, Team members will be perceived as mature believers by the host country and will be expected to uphold the highest behavioral standards (written and unwritten). Looking to the Bible as the highest authority, 1 Corinthians 8:9 cautions believers to be careful not to let their freedom be a stumbling block to other believers who associate that freedom with sin. For this reason, when ministering overseas, team members are expected to abstain from alcohol, tobacco, and illegal drug use. To be sensitive to the host country, team members will follow the standards for clothing, jewelry, entertainment, church attendance, interpersonal relationships and courtesy customs.*

**You must agree to the following to be accepted on this mission team. (If under 18, I have my parents approval to apply for a position on this team)**

- I will make it a priority to prepare myself spiritually.
- I agree to fully raise the necessary prayer and financial support and send a note of gratitude to my supporters.
- I will serve with the attitude of “other’s first.”
- I will apply for my passport (if I don’t already have one) as soon as possible.
- I will attend the training sessions.
- I will abide by the rules set forth by our team coordinator.
- I will participate in debriefing.
- I will listen carefully at all meetings and retain the knowledge given to me in order to be fully prepared for this mission.
- I will fully participate in the hard work this trip demands in order to be successful as a group and as individuals.

**Is there anything about these statements that you are not in full agreement or 100% sure about? If so, please explain:**
